Re: Employee's pension fund secession (Conclusion of the trial)

Wacom Co., Ltd. reported its agreement to the terms of settlement for secession from the Saitama Prefecture industrial estate employee's pension fund. There was an announcement issued on February 22, 2012, 'Employee's pension fund secession (Generation of an additional extraordinary loss)'.
Based on this agreement the pension fund applied to the Minister of Health, Labor and Welfare for a revision of the terms of Wacom's secession from the fund and obtained permission from the Bureau of Health and Welfare on March 1, 2012. Wacom paid the secession supplement cost in full to the pension fund and in response to the secession procedure Wacom reported that the judicial settlement was reached in the Saitama District Court on March 28, 2012. The trial was then concluded.

There will be no influence on the financial result for FY11 by the conclusion of the trial.
