Re: Discontinuance of the acquisition of own shares

Wacom announces today that its Board of Directors have decided to discontinue the acquisition of the Company's own shares, decided under Article 156 as applied pursuant paragraph 3, Article 165 of the Corporation Law in Japan as of August 11, 2011. Wacom judged that the additional acquisition of its own shares will offer little contribution to its corporate value. This is because the Company's Share price has remained in uptrend since the announcement of the acquisition of its own shares.
