Re: Global Organization Reform and New Management Team

Wacom Co., Ltd, today announced that its board of directors has approved the company' s global organization reform and new management team effective April 1st, 2015.

1. Global Organization Reform

Marketing, sales and other business operations which have been managed on regional bases will be re-grouped into global business units (BU) according to user categories, with a view to addressing market needs more quickly and flexibly and accelerating further business growth. To execute each organization's missions effectively, Executive Vice Presidents (EVP) will be assigned to respective business units, replacing the current executive officer system.

2. Appointment of new management team

Under the new global organization, the following management team will be responsible for managing business activities, replacing the current executive officer system.

Masahiko Yamada	Representative Director, President & CEO (In charge of Platform & Application BU and Technology Solution BU)
Shigeki Komiyama	Director, EVP (In charge of Business Solution BU and Engineering Solution BU)
Wataru Hasegawa	Director, EVP (CFO)
Jeffery Mandell	EVP (In charge of Creative BU and Consumer BU)
Koji Shimoda	EVP (In charge of Engineering & QA)
Aaron Atkinson	EVP (Chief Information & Operation Officer)
Tom Lam	EVP (In charge of China operation)
Robert Marlinghaus	EVP (In charge of HR)

*There are no changes in other directors

3. Others

Details of the transition to a “Company with an Audit Committee” which was announced on March 16th, are currently remain unfixed. We will announce the details as soon as they are finalized.
