3. Reason for Correction

The Company decided to list 'Rent income' independently from FY 3/16, since 'Rent income' exceeded 10% of the total sum of 'Non-operating income' in FY 3/16. The Company reclassified consolidated financial statements of FY 3/15 to reflect the change in presentation.

As a result, the Company reclassified 9,294K Yen that was classified in "Other" of 'Non-operating income' in FY 3/15 to 'Rent income'.

The Company hereby announced the correction of FY 3/16, since it confirmed amendment after the initial disclosure announced on May 11, 2016.
